5 NIGHT FATHER-SON ADVENTURE

(Ages 13 to 70)

Turning the hearts of fathers to their children,
and the hearts of children to their fathers.

Are you fathering intentionally?
Do you father with the end in mind?
What will your son leave home with?
Has your son already left home? It's never too late!
What would you have loved to experience with your Dad?
What would you have wanted to receive from, or hear from, your Dad?

You will experience an enjoyable, exciting, adventure-filled environment, where you will succeed, be inspired, equipped, and empowered, to really connect, or perhaps reconnect with your son, one-on-one. A life-giving, life-changing experience that promises to provide moments that will create powerful memories to last a lifetime, and opportunities to fill a photo album.
