## FATHER-SON ADVENTURE WEEKEND

(Ages 7 to 13)

Turning the hearts of fathers to their children,  
and the hearts of children to their fathers.

**Every boy has a core question... "Do you love me Dad? Do you delight in me?  
Am I your beloved son? Am I the apple of your eye?"**

**How is it that a Dad answers his son's core question?**

**By intentionally sharing one-on-one time with him. Remember, a child spells LOVE "T-I-M-E".**

What others have said...

This time has meant so much more to my son than I anticipated it would.  
I really appreciate having had this opportunity. *Gary (age 40)*

My son and I really needed and loved this special time together. *Marty (age 38)*

The high point for me was really listening to my son, and entering into his world. *Joel (age 42)*

It was really good and really fun. It made me feel special. I loved spending time with my Dad,  
because we never get to spend time alone because of my brothers. *William (age 7)*

It was great. I would love Dad to be alone with me for a couple of weeks. *Joel (age 8)*

It was great! I think it made us a whole lot closer. *Jesse (age 11)*
